Krystal informed law enforcement the incident was verbal in nature and occurred because she was accused of "sleeping" with someone years ago. Jeremy informed Deputy Johnson he didn't want to provide a statement and needed "time to think."

Tamara Verlinde, contacted the Charlotte County Sheriff's Office, requesting to meet with law enforcement. Deputy Johnson made contact with Tamara, and conducted a digitally recorded interview, during which she provided the following information, which is not verbatim:

Witness Interview: Jeremy Hurd (suspect's husband)

On September 16, 2020, Detective Teter made telephone contact with Jeremy Hurd who agreed to participate in a telephone interview. During the digitally recorded sworn interview, Jeremy provided the following information, which is not verbatim:

Jeremy explained he recently learned of the allegations and confronted his wife, Krystal Hurd, where she confessed to having sex with the victim. Jeremy articulated he had been suspicious in the past, but when he asked Krystal about it, she made him "feel stupid" for even questioning her relationship with victim 1.

During the interview Jeremy became very emotional and was unable to continue, therefore the interview was concluded.

Victim 1 Interview:

On September 16, 2020, Detective Teter conducted a digitally recorded sworn interview with victim 1 at the Lee County Sheriff's Office headquarters located at 14750 Six Mile Cypress Parkway, Fort Myers. During the interview, victim 1 provided the following information, which is not verbatim:

Victim 1 disclosed he first met Krystal Hurd and Jeremy Hurd when he was in fifth grade. Krystal and Jeremy were only dating at the time and both of them were employed as counselors at the "Rec Center," which was attached to Sanibel Sea School. During this time period, victim 1, victim 2, victim 3, victim 4, and "Nick", would spend vast amounts of time with Krystal while at the Recreation Center, as well as outside of that program.

Victim 1 disclosed when he first began spending time with Krystal, it was a common practice for her to make fun of his tattered and worn clothing. As time progressed, Krystal purchased and dressed him in significantly nicer clothing than he was accustomed to wearing. Krystal had a fascination with professional skater, Ryan Sheckler, and would purchase victim 1 clothing to dress similar to him. Krystal directed victim 1 grow out his hair, so his appearance was similar to that individual.

Victim 1 disclosed the first time he and Krystal ever had a physical interaction occurred when he was eleven years old, and Krystal was down visiting from North Carolina. Victim 1 and Krystal were in a hotel room with some additional children, when she inquired who wanted to "share a fry with her." Each of the children would put one end of a French fry in their mouth and the other end of the french fry would be in another child's mouth. None of the children's mouths touched, but when Krystal and victim 1 did the same thing, Krystal leaned in towards him, causing their lips to touch. Krystal continued to flirt and touch victim 1, and she ended up spending the night at his mother's residence located at [REDACTED]. Victim 1's mother permitted Krystal to sleep on the pull out couch in the living room. After his mother went to bed, victim 1 entered the living room and laid on the next bed her, while facing each other. Victim 1 and Krystal began kissing each other and tugging on each other's clothing.

The following spring break, when he was twelve years old, Krystal drove down to Fort Myers from North Carolina and picked up victim 1, and drove him to her mother's residence in Astatula, Florida. Victim 1 disclosed while in route to that residence, he and Krystal kissed. Upon arrival to the residence, they entered into the downstairs bedroom, and laid on the bed, where he was on top of her. As they were kissing, Krystal removed his penis from his pants, placed it near her vagina, and told him to push.

THE LEE COUNTY SHERIFF'S OFFICE
OPEN BOOKING SHEET / WARRANT REQUEST AFFIDAVIT

As victim 1 pushed his penis into Krystal's vagina, she instructed him to pull out before he ejaculated. Victim 1 asked Krystal how will he know when he is about to ejaculate, which she described as "cum." Krystal looked at him while inquiring if he ever had sex or "jacked off," which he replied no. Krystal informed victim 1 that he will feel it, before he ejaculates, so after "three pumps" he pulled out and ejaculated. After the first time Krystal and victim 1 engaged in sexual intercourse, they began having sex multiple times a day throughout spring break, while at the residence in Astatula, Florida.

When victim 1 was twelve and thirteen years old, he would spend school breaks with Krystal, where they would frequent multiple hotels, some of which were in Lee County. While at one of the hotels in Fort Myers, they were in the company of victim 2, who slept on the bed beside them. Victim 1 recalled having sex with Krystal as victim 2 was sleeping beside them. An additional incident occurred, when victim 2 left the room with the key card, so Krystal instructed him to lock the door, and they engaged in sexual intercourse.

After spending several school breaks with Krystal at her mother's residence, victim 1's mother became skeptical of his and Krystal's relationship, and forbid them from seeing each other.

After his mother no longer allowed them to interact, victim 1 began acting out at home, was failing all of his school classes, and began fighting with his brother. Victim 1 disclosed he was very confused after what had occurred between himself and Krystal, so he began having sex with numerous females and some males.

Victim 1 recalled an incident, which occurred when he was thirteen or fourteen years old. During that incident, he engaged in a physical altercation with his brother, which caused his mother to give in, and allowed him to move in with Krystal and Jeremy.

Victim 1 immediately contacted Krystal, informing her of his mother's decision. Krystal set everything up, moved victim 1 in with her and Jeremy, who were still residing in the same residence with her mother in Astatula, Florida. Krystal enrolled victim 1 in school, made doctor appointments for him, and even brought him to a dentist for dental work. Victim 1's mother would send Krystal \$400.00 per month, to help pay for costs associated with living there.

Due to victim 1 having had sex with multiple people while he was away from Krystal, she called him dirty, and had him tested for sexually transmitted diseases, which he tested negative for.

While residing with Krystal and Jeremy, an incident occurred while Jeremy was at EMT school, and her son was sleeping. Krystal and victim 1 laid down on the bed and she began "dry humping" him. After Krystal had an orgasm from that action, she got up and uttered, "used and abused." Victim 1 disclosed that type of action occurred four times, and would conclude with Krystal saying "used and abused."

After the four "dry humping" incidents took place, Krystal and victim 1 began having sex regularly, which continued from when victim 1 was fourteen years old until he was almost nineteen years old. During all of the sexual encounters, they never used a condom, and even though she was on birth control the majority of the time, Krystal always made victim 1 withdraw his penis before ejaculating.

Victim 1 recalled Krystal's mother making several comments over time, that it was inappropriate for her to be locked in the room with him. Victim 1 disclosed Krystal informed him she stopped having sex with Jeremy for him, and that she was going to divorce Jeremy. Victim 1 was told by Krystal, that they would be together once he was eighteen years old, and they would get married.

THE LEE COUNTY SHERIFF'S OFFICE
OPEN BOOKING SHEET / WARRANT REQUEST AFFIDAVIT

The majority of the sexual intercourse between Krystal and victim 1 was normally him penetrating her vagina with his penis, but there were a few incidents where she would perform oral sex on him, all of which ended prior to him ejaculating. Victim 1 recalled one of those incidents occurred when he was twelve years old, and they were in the back of Krystal's mother's Escalade, in a Target parking lot.

Victim 1 disclosed when he was thirteen years old; he and Krystal were inside her RV, which was parked at a storage lot, believed to be off Summerlin Road, in Fort Myers. Krystal and victim 1 were removing items from the RV, when they engaged in sexual intercourse on the bed, which was at the back of the RV. Victim 1 recalled it being extremely hot inside the RV, which caused them to sweat profusely. Krystal informed him sweaty sex was the best type of sex.

When victim 1 was sixteen years old, they were at a hotel in Fort Myers, which victim 1 described as being behind the Taco Bell near "Summerlin and Gladiolus." While at that hotel, an incident occurred where Krystal was present when he engaged in sexual intercourse with victim 2. Krystal had planned it out, where she wanted victim 2 to lose her virginity at the same age she had. Victim 1 explained he is confident Krystal was in the room when he and victim 2 engaged in sexual intercourse, and may have even been in the bed with them. Victim 1 and victim 2 did not want to have sex, but they were manipulated and controlled by Krystal, so they complied with her instructions and had sex.

When victim 1 was sixteen years old and was living with Krystal and Jeremy, they moved to Fort Myers, where they lived in the "Groves Trailer Park" off John Morris Road. During that time, Krystal required victim 2 to live with them, and victim 1 and victim 2 resided in their own bedroom. When victim 1 was sixteen or seventeen years old, he would have sex with victim 2, wait for her to fall asleep, and then would have sex with Krystal in her room, while Jeremy was working his twenty-four hour shift at the fire department. Victim 1 and Krystal also engaged in sexual intercourse while residing at a rental home off Copra Lane in Fort Myers.

Victim 1 recalled a conversation that took place between himself and Krystal as she was picking up him from school. Krystal informed victim 1 that Jeremy had questioned her if they were having sex, which caused him to be alarmed. Krystal explained she made Jeremy feel stupid for asking that question and it never came up again. After that conversation, the tension between Krystal and Jeremy continued to build. When victim 1 was seventeen or eighteen years old, Krystal sent victim 1 to live with her mother and stepfather back in Astatula, Florida, to defuse the situation. Krystal would make trips up to see him in Astatula, where they would engage in sexual intercourse. During this time, Krystal also applied for a food stamp card in victim 1's name. Krystal later requested to use the funds, which had accumulated in that account and he granted her permission.

Victim 1 decided to end the relationship with Krystal when he was nineteen years old. Victim 1 was still residing with Krystal's parents, when he was involved in an altercation with Krystal's parents, which resulted in local law enforcement responding. Victim 1 informed law enforcement he did not want to prosecute, collected his property and left the residence.

While living in Lee County, after his mother had passed away, Krystal contacted victim 1 and requested they meet up for dinner. Victim 1 and Krystal met at Outback Steakhouse, and later responded back to her residence off Pine Island Road. Victim 1 and Krystal ended up in her bedroom, where she made comments, which made him feel she wanted to have sex. Victim 1 did not desire to have sex with Krystal, so he did not act on her comments and they left the residence and picked up victim 2, who was still residing with Krystal at the time.

Krystal later contacted victim 1 requesting he pay \$6000.00 in tollbooth fines she had incurred by crossing the Sanibel Bridge without paying. Victim 1 agreed to pay the fines but explained he would not be able to do that until he received money from his mother's estate.

THE LEE COUNTY SHERIFF'S OFFICE

Victim 1 presented Detective Teter with a photograph binder which was given to him by Krystal. Detective Teter captured several digital photographs of a scrapbook, took custody of the item via property receipt, and submitted it as evidence. Detective Teter noted the scrapbook contained numerous photographs of Krystal with victim 1, victim 2, and victim 3.

Victim 1 signed a desire to prosecute affidavit. Detective Teter provided victim 1 with the victim of sexual battery pamphlet via email

MCU Investigation:

After conducting a query, Detective Teter determined the address for Krystal's parents to be 26020 Splendid Meadow Court, Astatula, Florida. The Lake County property appraiser listed the owners of that address as being, Debra J Eck and Robert A Handley.

Witness Interview: Jeremy Hurd 2nd interview (suspect's husband)

On October 09, 2020, Detective Teter made contact with Jeremy Hurd at the Lee County Sheriff's Office located at 14750 Six Mile Cypress Parkway, Fort Myers, who agreed to participate in an additional interview. During the digitally recorded sworn interview, Jeremy provided the following information, which is not verbatim:

Jeremy identified his wife as, Krystal Hurd, also is known as and referred to as "Krissy" throughout the interview. Jeremy and Krystal were married in 2007, and now have an eight year son together. Jeremy explained he first met victim 1, victim 2 and victim 3 while they were students at the Recreation Center, in approximately 2005.

Jeremy recalled the victims having troubled family lives and Krystal investing large periods of time with victim 1 and victim 2. Jeremy recalled while in the Marine Corp in 2008, victim visited them in North Carolina several times. On Jeremy and Krystal's wedding night in 2009, Jeremy left the residence to bring an intoxicated family member home. When he returned home, he observed Krystal asleep in their bed with victim 1 and victim 2, and ended up sleeping on the couch.

Jeremy recalling being suspicious of how Krystal and victim 1 interacted physically, with him being "all over her," and the types of conversations they had. Looking back, Jeremy noted it was the same time period when the frequency of them having sex, began to decrease. Jeremy recalled even though he and Krystal would go for several months, or even vast periods of time where they didn't have sex, she would remain on birth control, in the form of the "NuvaRing." Jeremy explained it was common for them to argue over her spending so much time with victim 1 and victim 2. Each time he would bring up the issue, Krystal would make him feel bad for even questioning her trying to help the victims.

Jeremy was in the Marine Corps from 2008 until 2012, during which Krystal made various trips back to Florida where she made contact with the victims. Jeremy vaguely recalled an incident that occurred where he made contact with Krystal who was in a hotel room, when he was on leave from the military. Upon arrival, Krystal informed him the room was filled with kids and he might not feel comfortable, and the hotel didn't allow dogs, which Jeremy had brought with him. Jeremy didn't recall going up to the room with her, but remembered sleeping in his truck with his dog.

After residing in North Carolina for three to four years, Jeremy and Krystal moved into Krystal's mothers residence located in Astatula, Florida. While living in that residence, Krystal asked Jeremy if victim 1 could stay with them for a while, which he agreed to, not realizing she meant permanently. Victim 1 moved in with them and resided there for an extended period of time.

In 2013, Jeremy was hired by Fort Myers Fire Department, causing them to relocate to Fort Myers where they resided in several locations within Lee County. While residing in a trailer in the Groves RV Park, Fort Myers, it was common for victim 1 and victim 2 to spend a large portion of time at their residence. Jeremy recalled arriving home and discovering a used condom in the spare bedroom. Jeremy confronted Krystal, who denied having any knowledge of it, and explained it might have been used by victim 1 and victim 2. Jeremy confronted Krystal in regards to her allowing them to have sex, while she and their son were present in the home.

THE LEE COUNTY SHERIFF'S OFFICE
OPEN BOOKING SHEET / WARRANT REQUEST AFFIDAVIT

Jeremy recalled engaging in several verbal arguments with Krystal during this time period, over victim 1 and victim 2 always being at their residence. During the verbal arguments, Krystal would make him feel bad, by explaining she was trying to help them, because they didn't have families.

A period time later, they moved to another residence off of Copra Lane, Fort Myers, where Jeremy confronted Krystal, asking if she was having sex with victim 1. Krystal again made Jeremy feel bad for even thinking she would do anything like that, and explained she was only trying to help him. Jeremy informed Krystal that she had an ultimatum, either she no longer allowed victim 1 and victim 2 to be at the residence, or he would leave. Jeremy ended up leaving and resided in his vehicle for a few weeks, before ultimately returning to the residence because he missed his son. Upon his return, he noted the victims were still at the residence on a regular basis.

A period of time later, victim 1 moved out of the residence, and his and Krystal's relationship improved over time. Krystal began discussing having an additional child, which Jeremy was initially opposed to. After additional discussion they both agreed to have another child and Krystal recently discovered she was pregnant.

Jeremy explained he first learned of what had occurred between Krystal and victim 1 when he was contacted by his mother. After learning of the alleged relationship between them, Jeremy contacted victim 1, who positively confirmed it was true. Victim 1 described the first time he and Krystal had sex was when he was twelve years old. Victim 1 disclosed to Jeremy, they "did it all the time" and recalled an incident where Krystal wanted to do it "doggie style," but he was too small to penetrate her vagina. Victim 1 disclosed he and Krystal would have sex in the "game room" at the residence in Astatula, Florida.

Victim 1 disclosed to Jeremy, Krystal informed him that he had confronted her with allegations of them being in a relationship, where Krystal made him feel dumb for asking.

After speaking with victim 1, and learning of the details of their relationship, Jeremy confronted Krystal when she arrived home from work. Jeremy informed Krystal they needed to talk, and Krystal inquired if "it was about these stupid kids." Although Krystal initially denied the allegations, she informed him she wanted to tell him in private, due to Krystal's mother arriving at approximately the same time. Jeremy asked Krystal again if she had sex with victim 1, and she replied "yes."

The conversation relocated from the garage to inside the residence. Jeremy asked Krystal why this occurred, which she replied "I don't know to say it without blaming someone else." Krystal went on to explain that they went through a rough time, victim 1 was all over her, and she wasn't ready for teenagers in the house. Jeremy asked Krystal how times she and victim 1 had sex, because victim 1 had informed him it was hundreds of times. Krystal replied it was a lie, and it occurred only a handful of times

Jeremy asked Krystal if there was a possibility their son was actually victim 1's son. Krystal replied by saying are you kidding, he looks just like you. Due to the conversation getting loud, Krystal's mother entered the house and they all relocated back to the garage. Krystal's mother asked what was going on, and Jeremy informed her Krystal was having sex with victim 1. As that conversation progressed, they all began crying and Krystal made comments of self-harm due to concerns regarding not being able to ever see her son again. Krystal's mother also made comments of self-harm if her daughter went to prison. Krystal's mother informed him that Krystal had been abused by her father and she needed help.

At a point in the conversation, Jeremy stepped away and contacted his mother who had already contacted law enforcement regarding the incident. Krystal and her mother left and responded the hospital to be treated for anxiety.

Jeremy had several subsequent telephone conversations with Krystal, where she confessed to having inappropriate contact with victim 1, but now denied ever having sex with him.

Jeremy spoke with victim 2 on the telephone who provided a description of an incident where Krystal had directed her and victim 1 to engage in sex while she was present.

Jeremy also spoke with victim 3, who provided brief descriptions of incidents where Krystal would direct her to participate in physical interactions with another child, who victim 3 was dating at the time.

Jeremy confirmed he and Krystal owned a RV which they stored in the Groves RV Park, and later moved it into another storage yard in Fort Myers.

Jeremy confirmed the SD digital media cards he brought in were owned by himself and Krystal. Jeremy reviewed the media stored on the SD cards and copied their contents to the USB drive provided to law enforcement. Jeremy explained some of the stored media involved Krystal with victim 1 and victim 2. Jeremy recalled one of the videos he observed reflected Krystal and victim 1 "grinding" on each other, where victim 1 was rubbing on Krystal's buttocks, while at the residence in Astatula. Within that same video, Krystal and victim 1 could be seen hugging and holding on to each other. Jeremy recalled the video being dated 2009 or 2010.

In another video stored on the SD card and USB, victim 2 was observed in bed in her underwear. Jeremy recalled observing an additional video, believed to be recorded by victim 2, which reflected Krystal in the shower, which was filmed while she was pregnant. Jeremy observed an additional video which appeared to be recorded in a hotel room where Krystal and several children were present. The video reflected Krystal being under the covers on one bed and victim 1 and victim 2 were in another bed. That video also reflected food being eaten out of each other's mouths.

Jeremy explained Krystal recently filed for divorce and they are in the process of civil court proceedings over child custody. Although Jeremy had no indication Krystal had sexually abused their son, Bryson Hurd, a white male with a date of birth of February 13, 2012, he still had concerns based on Krystal's sexual attraction to juvenile males.

Jeremy articulated he didn't have any additional information involved with the investigation and Detective Teter concluded the interview.

Victim 2 Interview:

Detective Teter made contact with Seminole County Sheriff's Office in Oviedo, Florida, requesting a courtesy interview be conducted with victim 2, since she resided within their jurisdiction.

On October 13, 2020, Seminole County Sheriff's Office Detectives Patrick Riguad-Colon and Andrew Caroen, conducted an audio interview with victim 2, during which she provided the following information, which is not verbatim.

Victim 2 articulated victim 1 was her first boyfriend in fifth grade, when she was eleven or twelve years old, while living in Fort Myers. Victim 2 identified Krystal Hurd, who she referred to as "Krissy" throughout the interview, as her "camp counselor" at Sanibel Recreation Center. Krystal "babysat" her and the other victims outside of camp functions. Victim 2 explained how she ended up being close to Krystal, and resided with her for a period of time.

Victim 2 explained she first learned about what occurred between victim 1 and Krystal when she was a senior in high school and victim 3 brought it to her attention. Victim 2 explained she was still residing with Krystal, who denied the allegations and said that victim 1 was just trying to sound cool.

THE LEE COUNTY SHERIFF'S OFFICE

Victim 2 recently contacted victim 1 after discussing the allegations with victim 3. Victim 2 articulated victim 1 had provided details about an incident which occurred in a hotel room, which was occupied by Krystal, victim 1, herself, and a few other friends who were the same age. While in the hotel room, they shared a french fry, similar to "lady and the tramp," which is when everything started.

Victim 1 informed her he first had sex with Krystal when he was between twelve and fourteen years old. Victim 1 described that incident to victim 2, during which he said he was laying on top of Krystal when she pulled down his pants, removed his penis, and told him to push it in. Victim 1 explained to victim 2 that Krystal provided him with instructions to pull out before he ejaculated and explained how he would know when that was going to occur. Victim 1 went on into detail and provided times lines, explaining he and Krystal had sex one hundred times. Victim 1 informed victim 2, he would have sex with her, would wait for her to fall asleep, and then would have sex with Krystal.

Victim 2 explained she was never forced to do anything sexual, but felt she would be made fun of or bullied by Krystal or her friends if she didn't do things she wasn't comfortable with. Victim 2 recalled Krystal's residence as being located in the Iona Lakes community in Fort Myers.

Victim 2 explained Krystal changed her last name, without notifying her in advance, and her previous last name was Bourdiuk. Victim 2 was unclear if she was legally adopted by Krystal.

Victim 2 signed a waiver of prosecution affidavit and the interview was concluded.

Victim 3 Interview:

Detective Teter contacted the Lowndes County Sheriff's Office in Veldosta, Georgia, who agreed to conduct a courtesy interview. On October 02, 2020, Detective M. Keene from the Lowndes County Sheriff's Office conducted an interview with victim 3. During the interview, which was video and audio recorded, victim 3 provided the following information, which is not verbatim:

Victim 3 explained she first met, Krystal Hurd, who she refers to as "Krissy" throughout the interview, when Krystal was a counselor at after school activities at the Recreation Center in Sanibel, Florida. Krystal took a particular interest in a group of children, and would pay special attention to them and provided them with privileges the other children didn't receive. Victim 3 believed Krystal focused her time on this group of children because their parents weren't highly involved in their lives.

As time progressed, Krystal began to influence the victims on how they dressed, would bring them to various locations around town, and would spend time with them. Krystal also set them up in relationships when they were third and fourth grade. Victim 3 was setup with "Nick Smith," victim 2 and victim 1, were picked to be in relationships by Krystal.

Victim 3 disclosed while in fourth or fifth grade, she visited Krystal's Sanibel apartment, which was behind the "7-11." While at the apartment, Krystal would encourage victim 3 to perform oral sex on Nick. Victim 3 explained Krystal informed her since she and Nick had been "dating" for a period of time, it was normal for girlfriends to perform oral sex on their boyfriend. Krystal allowed the victims to use her bedroom but wasn't in there when the incident occurred. After victim 3 performed oral sex on Nick, they felt uncomfortable because they were just children, even though they weren't forced to participate in the incident.

When the victims were in fifth grade, Krystal would bring all of the victims to various hotels in the Fort Myers area, where they would all stay in one hotel room. Victim 3 and Nick would be in one bed and Krystal and victim 1 would be in the other bed. Victim 3 was unable to recall the specifics as to what occurred while they were in the hotel rooms, but explained it was supposed to be a fun time for them. Victim 3 explained although Krystal never physically forced her to participate in the incidents, she felt she didn't have another choice, and was compelled to, because Krystal would manipulate her and the other victims.

Victim 3 recalled Krystal being interested in teaching the other victims on how to "grind" and encouraged them to practice grinding while in the mirror. Victim 3 disclosed she and the other female victims would travel with Krystal to her mother's residence near Orlando.

Victim 3 explained she recently communicated with victim 2 who informed her she recently learned Krystal had forged victim 2's signature on adoption paperwork and adopted her without her knowledge when she was in fifth grade. Victim 3 also disclosed she learned Krissy had created fraudulent loans in victim 2's name.

Victim 3 recalled taking "hundreds" of photographs of her and the other victims, but didn't recall any of those photographs being taken while they were nude. Victim 3 explained she did not desire to prosecute Krissy for her actions and signed a waiver of prosecution affidavit. Victim 3 expressed her concern that her decision not to prosecute wouldn't invalidate what occurred to victim 1.

The interview was concluded by Detective Keene.

Victim 4 Interview:

On October 20, 2020, Detective Teter conducted a digitally recorded sworn interview with victim 4, at the Lee County Sheriff's Office Headquarters located at 14750 Six Mile Cypress Parkway, Fort Myers. During the interview and subsequent conversations with victim 4, she provided the following information, which is not verbatim:

Victim 4 explained she interacted with Krystal Hurd, who she refers to as Krissy, from the time she was approximately nine years old until she was eleven years old. Krystal was employed at the Recreation center in Sanibel, where she and the other victims spent time after school.

Victim 4 disclosed she and the other victims were an isolated group with Krystal, which caused a level of jealousy among the other students at the Recreation Center. Victim 4 characterized her relationship with Krystal as an "infatuation," and looked at her as a big sister. Victim 4 explained she and the other "girls" would compete to "impress her" and they would do anything she told them to. Victim 4, Krystal, and the other victims would spend a lot of time together outside of the Recreation Center.

Victim 4 recalled an incident which occurred while she was in fifth grade and approximately ten years old. Krystal brought them to a local skating rink, where she helped victim 4 introduce herself to boys and ask them on dates. Victim 4 ended up making contact with a boy who was in sixth grade and they planned a date in the near future. Victim 4 and Krystal had a discussion, since the boy was in sixth grade he would want to "make out" with her while they were on the date. Krystal informed victim 4 she couldn't "go unprepared" to the date so she needed to practice making out with another boy.

THE LEE COUNTY SHERIFF'S OFFICE

During the time period of when this incident occurred, victim 3 was dating a boy named "Nick." Krystal determined victim 4 should practice kissing by making out with Nick, so she provided the keys to her vehicle, which she believed was a black Lexus. Krystal informed victim 4, Nick would teach her what to do since he had made out with other girls in the past. Victim 4 articulated she, Nick, and victim 3 entered Krystal's vehicle which was parked in the parking lot of the Sanibel Recreation Center. Victim 3 acted as a "look out," while victim 4 and Nick kissed in the backseat of Krystal's vehicle.

Victim 4 articulated she desires to prosecute and signed a desire to prosecute affidavit. Victim 4 articulated she did not have any additional information regarding the incident and the interview was concluded.
